5.1.3. We reserve the right, at our sole discretion, to disqualify any individual who breaches the Offer Terms or our Terms and Conditions of Business, or in the opinion of management, act in such a manner as to deliberately take advantage of any of these Terms.

5.1.4 Any dispute or situation not covered by these Offer Terms will be resolved by our management in a manner it deems to be the fairest to all concerned. That decision shall be final and/or binding on all customers. No correspondence will be entered into.

5.1.5 If these Offer Terms are translated into a language other than English, then the English version of the Terms shall prevail where there is an inconsistency.

5.2 Conditions of Eligibility

5.2.1 Subject to all other Terms, the Offer is available to Customers who have satisfied the Eligibility Criteria for the Offer ("Eligible Customer") as set out in clause 5.2.2 below.

5.2.2 The Eligibility Criteria for the Offer are:

(a) that it shall only apply to HY Markets Customers that have a live account (this includes existing account holders and new Customers that open accounts);

(b) that the Customer makes a net new deposit into their account/s. The trading credit will be based on net deposits – i.e. total deposits less total withdrawals during the period. Please also see 5.2.2 (f) below;

(c) the minimum deposit required is \$500;

(d) that a Customer must trade five standard lots per US \$1,000 deposit (please refer to Product Specifications) on the account/s into which a deposit has been made within 45 days of the date of the qualifying deposit. At the end of the 45 days period the reward will be forfeited if the requisite number of standard lots have not been made. For the avoidance of doubt, all trades in any other instrument will count towards the lots calculation for this Offer;

(e) the maximum trading credit over the promotional period is a total of US\$10,000 aggregated over all the accounts of the customer;

(f) if customers withdraw any of the previously deposited funds from any account/s during the promotional period (except trading profits) the entire trading credit will be reversed. Where trading profits are withdrawn, the trading credit will be reduced in strict proportion to the basis on which it was originally credited.

As an example, if the original deposit was \$10,000, and a trading credit of \$1,000 was given, the customer makes a trading profit of \$2,000.00 which he/she then withdraws, the trading credit be reduced by \$200.00. i.e. in strict proportion to the accumulated deposits giving rise to the trading credit. This applies to all withdrawals of trading profits. Transfers between accounts will count as withdrawals.

Transfers between accounts will not count as new deposits or be included in the total net deposit value for the purposes of this offer;

(g) the transfer of rewards between accounts is not permitted during the 45 day period mentioned in (d) above; and

(h) customers may make as many deposits as they wish into as many of their live accounts in order to qualify for the trading credits subject to the maximum limit of \$10,000.00 as specified in (e) above.
